Professional Summary

Results-driven **Inventory, Warehouse & Operations** professional with **6+ years of experience** across the UAE and India, specialising in stock control, warehouse coordination, and supply chain optimisation in high-volume retail, manufacturing, and metals environments. Proven ability to lead cross-functional teams, implement FIFO/FEFO methodologies, and deliver measurable efficiency gains. Adept at leveraging **Advanced Excel, Power BI, ERP systems, and AI-driven tools** to automate reporting, reduce discrepancies, and drive data-informed decision-making.

Work Experience

Logistics Operations Supervisor — *Feb 2025 – Dec 2025*
Ollofab Impex LLP (Garments Production) — *Kerala, India*

- Streamlined end-to-end material handling workflows, reducing average turnaround time by **15%** through Excel automation and process standardisation.
- Designed and maintained daily/weekly operational performance dashboards, enabling faster, data-backed management decisions on procurement and floor scheduling.
- Coordinated inbound and outbound logistics for raw materials and finished goods, ensuring zero stock-out incidents across production cycles.
- Assessed and reported on operational costs, identifying efficiency opportunities and contributing to a leaner production budget.

Inventory Operations Supervisor — *Mar 2023 – Nov 2024*
FirstCry.com (Retail) — *Kerala, India*

- Led and managed a **12-member warehouse team**, overseeing daily operations, shift scheduling, KPI tracking, and compliance with safety and standard operating procedures.
- Developed a real-time stock visibility dashboard using **Advanced Excel and Power BI**, reducing manual reporting time by ∼40% and improving inventory accuracy.
- Conducted regular cycle counts and stock reconciliations, maintaining an inventory accuracy rate above **98%**.
- Collaborated with procurement and logistics teams to optimise replenishment cycles, eliminating stockouts during peak demand periods.

Logistics Controller — *Dec 2020 – Feb 2023*
Refco Metals LLC — *UAE*

- Managed multi-location inventory control using **FIFO/FEFO** principles, significantly reducing material wastage and preventing stock expiry losses.
- Executed regular cycle counts and physical audits, identifying and resolving discrepancies within 24-hour windows.
- Resolved critical supply chain bottlenecks through cross-departmental coordination, improving on-time material availability to the manufacturing floor.
- Maintained accurate inventory records across ERP platforms, ensuring real-time data integrity for management reporting.

Store Sales Supervisor — *Nov 2018 – Oct 2020*
Loocca Pvt Ltd (Retail) — *Kerala, India*

- Supervised an **8-member retail team**, managing daily operations, training new hires, and maintaining performance benchmarks.

- Optimised product replenishment schedules using sales data analysis, reducing stockout frequency by an estimated **20%**.
- Analysed inventory turnover trends to identify slow-moving SKUs, enabling timely markdowns and improved shelf utilisation.
- Coordinated with warehouse and buying teams to align stock levels with seasonal demand patterns.

Key Projects

AI-Based Inventory Predictor	Built a predictive shortage model using OpenAI APIs and historical sales data, flagging stock risks 2–3 weeks in advance and reducing reactive restocking.
Smart Inventory System	Developed an automated tracking system in Advanced Excel (VBA & Macros), eliminating manual entry errors and cutting reporting time by ∼50%.
Power BI Operations Dashboard	Created interactive KPI dashboards for real-time warehouse performance monitoring, improving management visibility into throughput and accuracy.
Portfolio Website	Built and deployed anaslatheef.com with automated data pipelines, showcasing expertise across logistics, data, and AI tooling.

Skills

Inventory & Operations: Inventory Control (FIFO, FEFO, LIFO) | Cycle Counting & Stock Reconciliation | Supply Chain Optimisation | 3PL Management | Warehouse Management | Procurement Coordination | Demand Planning

Data & Analytics: Advanced Excel (VBA, Macros, PowerPivot) | VLOOKUP / XLOOKUP / INDEX-MATCH | Power BI Dashboards & KPI Reporting | Data Visualisation | Operational Cost Analysis

ERP & Technology: Odoo | Zoho Inventory | Katana MRP | OpenAI / ChatGPT | Gemini | Canva

Education

MBA — Logistics & Supply Chain Management
Lincoln University College - Malaysia — *Graduated: 2022*

BA — English Language and Literature
University of Kerala - India — *Graduated: 2016*

Diploma in Computerized Financial Management — *Jan 2018 – Sep 2018*
Government of India - India
